## CAREER OBJECTIVES

Aspiring to thrive in a dynamic and growth-oriented environment by leveraging **1 year of ASP.NET** development and **1 year of experience as an Implementation Engineer (SQL)**. Skilled in database design, software deployment, and **Crystal Reports**, with a focus on continuous **learning**, teamwork, and leadership development.

## PROFESSIONAL EXPERIENCE

### ASP.NET Developer

*Shree Kamadhenu English School, Vellakoil*

*May 2024 – May 2025*

- Designed and developed a comprehensive web-based school management application using **ASP.NET, VB.NET, and SQL Server**.
- Built and maintained key modules including **student performance tracking, student and staff attendance, salary management, academic fees, and learning material distribution**.
- Developed and optimized SQL Server databases, **stored procedures**, and queries to support efficient data operations and reporting
- Created dynamic and user-friendly reports using **Crystal Reports** for academic, financial, and administrative insights.
- Debugged existing code, resolved bugs, and implemented enhancements to improve performance and reliability.
- Collaborated with stakeholders to gather requirements and implement new features tailored to school workflows.
- Streamlined development processes by introducing reusable code practices and improving data handling logic.

### Implementation Engineer

*Ideatec Softwares India Pvt. Ltd, Tiruppur*

*November 2022 – February 2024*

- Implemented and supported **Inventory Cloud ERP** and **Garment ERP** solutions, significantly improving operational workflows and increasing customer adoption.
- Developed and optimized SQL scripts for **data migration, report generation, and performance tuning**
- Designed and deployed **Crystal Reports** for various business modules to support client reporting needs.
- Played a key role in client-side installations, training, and troubleshooting to ensure seamless software adoption
- Conducted client-specific requirement analysis, software configuration, and data management based on documentation and user feedback.

## **SKILLS**

- Strong understanding of **ASP.NET, VB.NET, C#.NET** and **SQL**.
- Proficient in **database design, query optimization, and stored procedure development**
- Experience with **Crystal Reports** for designing and generating dynamic reports.
- **Quick to adapt and learn new technologies, frameworks, and tools**
- Skilled in **troubleshooting, debugging, and enhancing application performance.**

## **PERSONAL SKILL**

- Responsible, detail-oriented, and committed to delivering quality work.
- Eager to continuously learn, improve, and grow professionally.
- Strong communication and teamwork skills with a proactive attitude

## **CERTIFICATIONS COURSE**

### **ASP.NET, VB.NET, and C#.NET**

*Aakkam Industrial Training and Research Institute*

*March 2024 – May 2024*

- Gained comprehensive knowledge in ASP.NET, VB.NET, and C#.NET development.
- Completed hands-on training in building web applications, designing user interfaces, and integrating SQL Server databases.
- Developed real-world projects to demonstrate proficiency in .NET frameworks.

## **EDUCATION**

### **Bachelor of Engineering (B.E) in Mechanical Engineering**

P.A. College of Engineering and Technology, Pollachi (2019–2022)

CGPA: 8.5/10

### **Diploma in Mechanical Engineering (DME)**

P.A. Polytechnic College, Pollachi (2016–2019)

Percentage: 78%

### **Secondary School Leaving Certificate (SSLC)**

Govt. Higher Secondary School, Anaimalai (2016)

Percentage: 79.8%

## **DECLARATION**

I hereby declare that the above-mentioned information is correct to my knowledge and, I bear the responsibility for the correctness of the above-mentioned Particulars.
